\$50K FOR 50 PARKING LOT CAMPAIGN

At the annual meeting in June, the voters approved a **Parking Lot expansion of 50 stalls**. The Total estimated cost is \$143,000. We have funding through other gifts of \$93,000. The project will be approved if we can raise the balance of **\$50,000 by August 11th**. If we do then groundbreaking can proceed with an estimated start date of August 14th. A special New Parking Lot Fund has been established for this purpose. Over the next 6 weeks our goal is to have 200 donations averaging \$250 per gift. In addition to your normal offering, please consider what you can contribute to help bring this important project to completion this year. Gifts can be placed in the offering plate with a memo on your check and/or envelope or via the following link or QR code. The link will prompt you with a one-time \$250 gift to the New Parking Lot Fund. The amount and recurring frequency can be changed by the donor.
